**Annual Meeting May 4 – 15, 2017:** Malmo, Uppsala and Gothenburg, Sweden

We are offering more registration choices than ever before to enable you to select those portions of the meeting which match your available time and budget. You may choose anything from the entire three-city tour down to the shortest option of participation in only one of the cities where we have multiple days of activities, Malmo or Uppsala. You even have the option of having us provide your travel between cities or arranging your own transportation. Whatever you select, your registration fee will include transportation and entrance fees to all of the activities within each destination, your hotel room for every night at each location, breakfast every day, lunch every day except May 8 and 13, and dinner every day except May 4 and 13.

**Meeting Registration** will be online at Ask Mr. Nilsson's website: <http://www.askmrnilsson.se/magnolia-society/>

**Payment** will be in Swedish Krona (SEK). Ask Mr. Nilsson's website accepts VISA and MasterCard. Your payment will be accepted in SEK and converted to the currency of your bank account at the exchange rate in effect when you register. We have included examples of prices in US dollars and Euros in these documents, but the actual price charged to your credit card will be different than those printed here, based upon the exchange rate at the time. You will receive online notification when your registration and payment have been processed.
