

Welcome to the 2017 Magnolia Society Seed Counter- Round Two!

New seed arrived after our first advertisement, and it includes many fine selections. We are very grateful to Tom Trzebitowski for going the extra miles to make what could be the last seed harvest from Dennis Ledvina's collection. Please also take note of the choice hand crosses provided by Tom Krenitsky that were inadvertently omitted from the first advertisement, and seed sent in by MSI President Gary Knox from University of Florida's North Florida Research Center.

Please order using our online seed order form - your order and payment will be recorded immediately and the online form automatically calculates the cost. Orders will be filled in the order received; online orders are time-stamped, and you can order online right away versus the delay caused by mailing an order.

Note: All seeds have been subjected to a "float test" to select the seeds most likely to be viable; however, we cannot guarantee germination - - - sorry!

Online Orders (preferred method):

Order online using our website (www.magnoliasociety.org). Log in with your email address and password - select Members and go to the seed counter page. You will see a link for the seed counter online order form on the right side of that page.
