Upcoming Meeting!

The Magnolia Society International will hold its annual meeting in the Boston/Providence/Cape Cod area starting on May 6, 2011. Everyone is invited to hear great lectures, see fantastic places and plants, and socialize with other magnolia lovers from around the world. Treats like visits to the world-renowned Arnold Arboretum, a cemetery that has become a plantsman’s mecca, fabulous private gardens and a nursery (shopping encouraged!) are on the tours. A special treat will be seeing all the yellow-blooming magnolias that are most likely to be in flower then in that area. Of course, Mother Nature should have some of the pinks, purples and whites, too! Join MSI and see for yourself the wonderful rainbow of colors that early May offers in southeastern New England! Member discounts apply, so become a member to take advantage of this and other advantages of being a magnoliaphile. Email Beth Edward, Secretary, at beth.edward@gmail.com to inquire about membership.
